AKASH KURDEKAR

Innovative Front-End Developer | React.js | UI/UX Enthusiast | Transforming Ideas into Interactive Web Apps

+91-9916390580 | akashkurdekar39@gmail.com | GitHub | LinkedIn | Portfolio

SUMMARY

Innovative Front-End Developer with expertise in React.js, JavaScript, and UI/UX design. Proven ability to build performant, accessible, and visually engaging web applications. Adept at owning product features from ideation to launch, with a passion for pixel-perfect design and seamless user experience. Curious, proactive, and highly collaborative in asynchronous remote environments.

EDUCATION

Bachelor of Engineering in Computer Science

Jain College of Engineering and Technology, Hubballi | May - 2024

TECHNICAL SKILLS

Frontend Development:	React.js, Angular, Vue.js (Familiar), JavaScript (ES6+), HTML5, CSS3, SCSS, Tailwind CSS, Bootstrap, Vite, Next.js (Familiar).
Programming:	Core Java, C++, Object-Oriented Programming Concepts.
UI/UX & Design:	Figma, Styled Components, Framer Motion, Web Accessibility (WCAG), Responsive Web Design.
Ai & Automation:	Prompt Engineering, Automating Workflow using AI, Generative AI for Feature Engineering.
Tools & Collaboration:	VS Code, Git/GitHub, Agile Development, Scrum, Code Reviews.
DevOps & Optimization:	Lazy Loading, Code Splitting, Virtual Scrolling, Webpack, Cross-Browser Compatibility, Performance Optimization, Lighthouse Audits.
SEO & Documentation:	On-Page SEO, Semantic HTML, Meta Tags, Google Search Console, Microsoft Word, PowerPoint Chrome DevTools (Lighthouse, Coverage, Performance Panel).

WORK EXPERIENCE

Frontend Developer (Probation)

IngeniousPix Creative Studio - Hubli

Feb 2025 – Present

- Developed Angular web applications for both the company website and an eCommerce site, optimizing performance and user interfaces.
- Enhanced eCommerce site performance by 50% and achieved 100% accessibility and SEO compliance.
- Collaborated with teams to ensure seamless UI design integration and optimal user experience.

INTERNSHIP

Full Stack Web Developer Intern (Online)

Varcons Technologies Pvt. Ltd - Bengaluru

May 2023 – Aug 2023

- Designed and developed responsive web pages for a Wildlife Conservation site using React.js, HTML, CSS, and JavaScript.
- Translated client specifications into intuitive and visually appealing user interfaces.
- Optimized frontend performance and ensured cross-browser compatibility.

Full Stack Web Development Intern

Deshpande Start-ups - Hubballi

Aug 2023 - Oct 2023

- Developed a **full-stack e-commerce platform** (MERN stack) with a dynamic UI and smooth API integration.
- Designed **reusable UI components** to maintain consistency and performance across the platform.

PROJECTS

Parallax Single-Page Website [Demo]

- Built a parallax scrolling site with smooth animated transitions and a fully responsive design.
- Developed a custom scroll-based navbar without using any external UI libraries.
- Improved performance and accessibility using Chrome DevTools and Lighthouse audits.

Integrated Smart Road Safety System

- Developed a real-time road safety solution with weather monitoring and automatic hump detection.
- Selected for the **47th KSCST State-Level Project Exhibition** and recognized for its safety innovation.
- Focused on sensor integration, data-driven alerts, and embedded system logic.

Website Cloning Projects

- Recreated responsive UIs of **Knight-Bite**, **Royal Brothers**, and **Amma's Pastry** websites.
- Implemented core functionalities like menu navigation, dropdowns, and mobile responsiveness.
- Emphasized semantic HTML, accessibility practices, and consistent design patterns.

Vehicle Service Management System

- Developed a web application to manage service bookings, inventory, and reporting operations.
- Features include customer appointment scheduling, service history, and admin panel UI.
- Ensured smooth data handling and UI responsiveness across devices.

CERTIFICATIONS & TRAINING

Java Full Stack Web Development Training

Q Spiders - Bengaluru

June 2024 – Jan 2025

- Trained in Core Java, HTML, CSS, JavaScript, React.js, and OOP concepts.
- Practiced DSA problems to improve coding and problem-solving skills.
- Built real-world projects and participated in mock interviews to boost technical confidence.

SKILLS AND INTERESTS

Soft Skills: User-Centric Thinking, Proactivity, Attention to Detail, Cross-Functional Collaboration, Adaptability, Problem-Solving.

Interests: Cooking, Cricket, Travelling, Photography, Performance Optimization, AI in Web Development, Gaming.

Languages: English, Kannada, Hindi, Konkani.
